OLD RICKHOUSE APPLE BRANDY FINISHED RYE WHISKEY

This cask strength Old Rickhouse rye whiskey finished in apple brandy barrels is crafted with rye grown on the 700+ acre Huber Estate. This old rickhouse rye blend is then transferred into our exclusive Huber Estate apple brandy casks for additional aging.

The result is a sustainably crafted cask strength single barrel rye whiskey that is smooth, full of flavor, and displays hints of sweet caramel, vanilla, and baked spiced apple. The apple brandy casks complement the citrus, rye spice of Starlight Distillery's Old Rickhouse rye whiskey.
