STARLIGHT
DISTILLERY

Blackberry WHISKEY

Starlight Distillery's Blackberry Whiskey highlights the history of blackberries grown in the area of Starlight, Indiana and pays tribute to the distillery's rich agricultural history. This 84 proof whiskey is blended with sun-ripened blackberries and is then aged in used Starlight bourbon barrels. The result is a small batch blackberry whiskey displaying distinctive hints of blackberry jam, caramel and vanilla beans. Blackberry Whiskey is a great base spirit to be used in craft cocktails.

TASTE: Sweet blackberry, toasted oak and vanilla beans carry throughout the palate.

NOSE: Starts off with bright blackberry, caramel and vanilla beans.

FINISH: Sweet, warm and fruity.
